3.3 / Gender and Sexual Orientation

Name _____ Date _____

1 Make the connection.

Explain each concept in your own words. Add a brief example that shows why it fits.

Gender identity

Sexual orientation

Sex characteristics

Gender expression

2 Build the explanation.

Separate the questions. Repair a survey that treats identity, orientation, and appearance as one thing.

Choose from the pieces below. Some do not belong. Write a letter in each position and explain the connection.

A. Ask how participants describe their gender

B. Use favorite colors to assign orientation

C. Ask about presentation without inferring identity

D. Ask about patterns of attraction with optional response

Identity item - Piece: _____

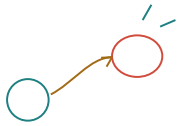

Orientation item - Piece: _____

Expression item - Piece: _____

Show the connection.

Sketch a diagram or example that connects two ideas. Label the parts.

Use the idea. Explain the connection.

3 Choose, then explain.

1. A report treats a minority sexual orientation as a disorder. What correction is needed?

A. Rename the disorder only

B. Infer it from appearance

C. Orientation itself is not a psychological disorder

My choice: _____ Why it fits:

2. Which final research claim is strongest?

A. The survey proves one universal cause of identity

B. A correlational pattern in this sample needs further study before causal explanation

C. Appearance reveals attraction

My choice: _____ Why it fits:

4 Bring it together.

How would you repair a question that conflates two constructs?

One idea I corrected: _____

One question I still have: _____
